- [Note] 1. The dispatching or hosting of researchers (including instructors) for a period of less than one year is referred to as "Short Term" and when one year or longer is referred to as "Long Term."
2. When personnel are dispatched or hosted, the first year of their assignment is entered into the "New" column and the second year and thereafter is entered into the "Continuing" column.
3. Enter information for all dispatched and hosted personnel, including those whose travel and living expenses are self-financed.
