[Note]1. Create the table using the same classifications for entrance examinations as "III 1.

Number of Students Applying, Passing the Entrance Exam and Enrolling by School and Department" (Table 13).

2. On the bottom row of each school and of the total column, enter the percentage out of all enrollees.
3. "General Entrance Examinations" includes examinations held at university entrance examination centers.
4. Enter information about entrance examinations falling under the "Other" category in the Notes column. (Example: Adult enrollees - XX, International students - YY)
5. Create a table for each semester when a semester based system is used which assumes multiple enrollment periods such as fall semester enrollment.
6. When the admissions quota is an unspecified small number, "0" is entered.
7. The "Kwansei Gakuin University Master Statistics Compendium 2011" was used for reference.
