Research Center for Christianity and Culture	523,315	4	RCC Research Project
Total	36,171,087	56	

[Note] 1. Record the results from fiscal year 2010.

2. The "Internal Joint Research Funding" referred to here is research funding which has been allocated in the budget, regardless of its designation as individual research or joint and is funding which is awarded after an application and screening process (typically known as Department research funding).

[Note: KG] The total amount should match the total for internal joint research funding of undergraduate and graduate schools on Table 32.
