[Note]1. Record, in principle, items applicable to “Learning at Educational Facilities, etc. Other than Universities” or “Approval of Credits Acquired Prior to Admission” stipulated in Article 29 and 30 of the Standards for Establishment of Universities.

Record items that are not applicable to the above mentioned cases but are accepted by the university that recognizes credits earned at a domestic or overseas academic institute, with which the university has not concluded a credit transfer agreement, as credits earned at the university, in the “University, Junior College, Technical College, etc.” column.

2. Record credits earned at specialized courses of a university, junior college or technical college in the “University, Junior College, Technical College, etc.” column. Credits stipulated in the “Learning for which Universities Can Grant Credits According to Paragraph 1, Article 29 of the Standards for Establishment of Universities” (the 146th Public Notice of the Ministry of Education, Culture, Sports, Science and Technology issued in 2007) in the “Others” column.
3. Record the results of the 2011 academic year.
4. Do not include transfer students in this table.

[Note by KG] 1. Students of the School of Policy Studies select a department in the second year.

2. Although credits earned through medium-term overseas English study programs including Intensive English in Canada; medium-term overseas French study programs; the Indonesia Exchange Seminar; the Oxford University Joint Seminar; Chinese and Korean studies courses; overseas social experience seminars; United Nations seminars; United Nations student volunteer seminars; United Nations student volunteer subject research and General Japan Studies courses were included in these records until the 2009 academic year, they have been excluded since the 2010 academic year because they were incorporated into the university’s curriculum.
