[Note] 1. Create this table based on the results of FY 2011.

2. Create the table in order of financial aid open to undergraduate and graduate students, open to only undergraduate students, and open to only graduate students.
3. If financial aid is open to only undergraduate students, enter only undergraduate students in the "Total of Enrolled Students" column, and likewise if financial aid is open to only graduate students, enter only graduate students in the said column.
4. Also input information for financial aid from JASSO.

[Note: KG] The number of enrolled students is 22,046 undergraduate students including newly enrolled: (5,470 students), 1,448 graduate students, 413 undergraduate international students, 70 master's degree students, 23 doctoral degree students and 30 postgraduate students.

The number of international students in the Note of KG : The number of undergraduate students refer to that of "Index 3 : Official number of international students in the Specific Item Data" and the number of graduate students refer to that of the former table 18 in the Basic Data.
