[Note]

1. Enter data at the school or graduate school (or other organization) level.

2. Please fill out the actual amount for each fiscal year.

3. "Research Expenditure" is also included research travel expenses.

4. "Competitive Research Expenditure" refers to competitive research expenses (so-called Internal Grants-in-Aid) that have been issued following an application-based review and regardless of whether the research consist of individual or joint research.

5. In the case of acquiring research expenses in collaboration with researchers outside the university such as Grant-in-Aid Subsidies, even if the research representative belongs as full-time faculty member, it does not calculate the full amount.
