	and Japan, analysing activities by the government, companies and civil society to attract and integrate migrants. Students will learn not only migration policies in the EU and Japan, but will also gain 'soft skills' like research skills, discussion skills, and teamwork skills. The students from Munich all speak Japanese, so some discussions, class materials and lectures might be held in Japanese.
到達目標/Learning Goals	Students will understand the similarities and differences regarding migration in Japan and the EU. They will increase their understanding of EU labour migration, German immigration history and policies, as well as the integration of migrants in the labour market and in society in the EU and in Japan. They will acquire important soft skills regarding independent research, group work, discussion, presentation skills and critical thinking.
到達目標(英文)/Learning Goals	Students will understand the similarities and differences regarding migration in Japan and the EU. They will increase their understanding of EU labour migration, German immigration history and policies, as well as the integration of migrants in the labour market and in society in the EU and in Japan. They will acquire important soft skills regarding independent research, group work, discussion, presentation skills and critical thinking.
授業方法 Course Format	In-class seminar requiring active participation. Students will have to engage in discussion with their peers in Japan and in Germany, do homework, prepare for the next classes (reading assignments), and will do graded group work. Students with the permission (by KGU) to participate online can join on zoom. WE WILL USE ZOOM TO CONNECT WITH STUDENTS FROM MUNICH UNIVERSITY. Preregistration is necessary for this course. Please apply for this course between April 1 and 3.
検索キーワード/Keywords	EU, migration, policies, EU-Japan comparison, Germany, history of migration, immigrants, civil socie

	授業計画 Topic	授業外学習 Study Required Outside Class
